Espiria Valuation Day Calender

The Trading Calendar shows Business Days, Half Business Days, and closed days. As outlined in the Prospectus the NAV is normally calculated on each Business Day. A Business Day is a day on which banks are normally open for business in Luxembourg and Sweden. A Half Business Day is a Business Day on which a Stockholm Securities Exchange closes earlier than its usual business hours in Sweden.

IMPORTANT note: The Trading Calendar is indicative and may change during the year due to portfolio changes, or where markets change planned holidays, even with short notice. The Trading Calendar is updated on a continual basis. If you wish to receive notifications of future updates to the Trading Calendar please contact your usual Investor Relations representative or ir@eastcapital.com.
